THE CHEF'S PERFECT SANDWICH

Portabella Focaccia v

Housemade focaccia bread, marinated portabella mushroom, roasted red pepper, pea sprouts, radish, avocado spread 15

My background in cooking is surrounded by beef and pork, so I wanted to challenge myself to not only create an amazing vegetarian option for this menu but also a vegan option. Using the freshest ingredients possible as well as our signature house made focaccia bread, I truly believe this is the "Chef's Perfect Sandwich."
